2014 GM3 Week 2 Investigation

This week you are required to investigate the various types of licences available in the Act. To do this use the web site shown on the Week 2 Brief. You will be looking at licence types and the associated costs.

1. Learner Licence

a) What two conditions must you meet to obtain a Learner Licence?

b) When you go to a Canberra Connect Shopfront what three things must you do?

c) List three things you must do when driving with your L plates.

d) What is the initial cost of a Learner Licence? How much will it cost to renew if you lose it?

2. Provisional Licence

1. What two conditions must you meet to obtain a Provisional Licence?

2. How long are Provisional Licences issued for? Under what conditions can you remove the P plates from your car?

3. If you meet the conditions in Part b) what changes are made to your licence?

4. What is the initial cost of a Provisional Licence?

Full Licence

What is the initial cost of a Full Licence and how long does it last for?

Probationary Licence

What is a Probationary Licence?
