Week 14
Term 2
2016

Learning Brief

EM1
Calculations, percentages and rates; Measurement; Algebra; Graphs

Goals

"All my textbooks are eBooks but I forgot to charge my e-Reader so I could not do the assignments."

Unit Goals

- understand the concepts and techniques in calculations, measurement, algebra and graphs
- apply reasoning skills and solve practical problems in calculations, measurement, algebra and graphs
- communicate arguments and strategies when solving problems using appropriate mathematical language
- interpret mathematical information and ascertain the reasonableness of solutions to problems.

This Week

- assignment

Theoretical Components

None

Practical Components

You are to work on your assignment this week.
