

Goals

Test and Review:

Your exam is on:

Tuesday 2nd April at 1:45pm to 3:45pm in the gym

You need to bring you OWN: calculator, pen or pencil and summary sheet. We will NOT have a calculator or pen for you!

HAVE YOU GOT A CALCULATOR?
(you cannot use your phone)

Theoretical Components

Resources:

<https://www.hawkermaths.com/ma1.html>

Week 7/8

- Simple interest
- Simple interest calculating P, R and T
- Compound interest
- Investing in shares

Practical Components

Go through your folders and complete any missing tasks and review any questions that are incorrect.

GET YOUR OWN CALCULATOR!!!

Your classwork and investigations (weeks 1 – 8) make up 20% of your grade for this semester.

Make sure you have handed in any unsubmitted work before the exam. This will allow your teacher to provide some feedback prior to the exam.

Investigation

Prepare your double-sided A4 page of handwritten summary notes.

The exam will cover all work from weeks 1 – 8. It is worth 30% of your grade for this semester.
